INVESTOR WEBINAR

European Resources Limited (**European Resources** or **the Company**) invites investors to attend an investor webinar from 11.00am – 12.00pm AEDT Wednesday, 25 March 2026.

European Resources' Managing Director Jason Beckton will update investors on the Company's exciting rare earth projects in Finland, as well as its gold, silver and copper projects in Slovakia, amid surging prices for rare earths and bullion.

Attendees may submit questions during the event. A recording will also be made available following the event on the Company's website (www.europeanresources.com.au).
