## COMMENCEMENT OF RIGHTS TRADING

### ASX CODE: ERER

European Resources Limited (**the Company**) is pleased to advise that the rights to the Company's Renounceable Rights Issue announced on Tuesday, 17 March 2026 will commence trading today under the ASX code **ERER**.

Under the Rights Issue timetable, rights trading will end on **Wednesday, 8 April 2026**.

As the Company is undertaking a renounceable entitlement issue, shareholders who do not wish to take up some or all of their entitlements can sell them on the ASX during the rights trading period to parties who do. This structure provides flexibility, allowing shareholders to choose to take up their entitlements in full, partially participate, or sell some or all of their entitlements on market to realise value.

This notice has been authorised for release to ASX by the executive directors of the Company.

Yours sincerely

Richard Edwards  
Company Secretary
